

Download the App

Maximise your Conference experience

Search for **"Kenes Congresses"** in your app store, or follow the instructions from the image on the right to download the FRPT 2023 App.

Once you've installed the app, you'll need to login using the credentials you received via email.

Make sure to select the correct time zone in the programme!

App features include:

- All Conference updates in your palm
- Build your personal schedule
- Save sessions, create notes and add to your favourites
- Access speakers & session information
- Explore e-posters
- Network with the community
- And much more

How to Navigate the App

How to start the App

Enter the event code – FRPT2023 and begin your journey.

How to log into the App

Insert the log in credentials you received via email.

Explore the Menu

Visit each section to discover the app features.

Discover Information tab

Here you will find all the general information you need.

Visit the Programme

Access the FRPT 2023 programme to see all sessions and plan your schedule. You can switch between the days of the Conference. By clicking on a particular session, you can see details about it and add it to your personal agenda via the [MY AGENDA – ADD](#) button.

FRPT 2023 Supporters

Explore the full list of this year's supporters of FRPT 2023.

Interactive Features

Once you click on a session in the programme you will have access to the [INTERACTIVE FEATURES](#) button. By pressing it you will be able to participate in voting, live Q&A, and more in real-time!

E-Posters area

Learn more about the e-posters sessions during the Conference.

Visit the Personal Area

This is your dedicated personal space where you can access your profile, your notes, messages, recommendations and visit all the content you saved as [My Favourites](#) – sessions, attendees, abstracts, exhibitors.

Networking menu

Look up the colleagues you met at FRPT 2023 and start a conversation via this great networking feature.

Social media

Don't forget to get social and share the experience via the FRPT social media channels – you can find them listed in this section.

Additional pages

From the top left button you can access multiple additional functions.
