FROM THE AIRPORT

Toronto is served by two airports. [Toronto Pearson International Airport](#), managed by the Greater Toronto Airports Authority, is Canada's principal airport with travel connections to every continent and ranks among the top 30 world airports in terms of passenger traffic and aircraft movements.

Take the [UP Express](#) (Union-Pearson Express), a dedicated express rail service connecting Union Station and Toronto Pearson airport, departing every 15 minutes. UP gets you downtown in 25 minutes with free on-board WiFi along the way. The fare is up to \$12.35 depending on destination and type of pass. Go to [UP Express](#) to find out more.

[Billy Bishop Toronto City Airport](#) (formerly Toronto City Centre Airport) is one of the most convenient urban airports

in the world. It is located on Toronto Island, minutes from the downtown core with links to the city by a short ferry ride or pedestrian tunnel, and is served by both Porter Airlines and Air Canada.

BY TRAIN

[VIA Rail](#) and AMTRAK bring visitors into the heart of the city each day. Toronto's Union Station is centrally located downtown and connects to the subway by underground tunnel.

Niagara [GO Train](#) is a summer weekend excursion train from Union Station to Niagara Falls with stops in Port Credit, Oakville, Burlington, St. Catharines and Niagara Falls. The ride takes approximately 2 hours from Union station to the Niagara Falls station.

BY CAR

Several highways, including Highways 2, 401, 407 and the Queen Elizabeth Way, link surrounding cities to Toronto. The nearest Canada-U.S. border crossings are at Niagara Falls, Fort Erie and Windsor.

PUBLIC TRANSIT

Explore Toronto on one of North America's finest transportation systems—the [Toronto Transit Commission \(TTC\)](#). With easy-to-navigate subways, buses and streetcars, getting around the city is a snap. [GO Transit](#) is Ontario's inter-regional bus and train service. It links Toronto with outlying areas of the Greater Toronto and beyond. GO Trains and buses depart from Toronto's Union Station at regular intervals throughout the day. If you are planning to use public transit, be sure to purchase a [PRESTO card](#), an easy-to-use reloadable payment card that lets you pay your fare on the TTC, GO Transit, UP Express and 8 other transit agencies in Ontario, eliminating the need for tickets, tokens, passes and cash.

PARKING

Parking on most downtown streets is limited to specific times of day, and often requires you to purchase and display a ticket from one of the parking machines located along the street. Be sure to check and obey the signs posted along the street to make sure your vehicle doesn't get ticketed or, worse, towed away. There are also a variety of public parking lots throughout the city. City-owned lots are indicated by the 'Green P' logo—a large 'P' in a green circle. Plan in advance using [Green P's parking locator](#) to find the nearest lot.

DRIVING AROUND TOWN

- *Toronto's streets follow a basic grid pattern and are easy to navigate.*
- *Speed limit signs are posted on each street.*
- *Note that the city's weekday "rush hour" is more than an hour long—count on heavy traffic from 7:00 a.m. to 9:00 a.m. and again from 4:00 p.m. to 6:00 p.m.*

Plenty of Toronto's major streets have bicycle lanes nearest the curb. Please respect cyclists in the city—they're environmentally friendly!

HAIL A TAXI, UBER OR LYFT

There are a number of different taxi companies in Toronto, including [Co-Op Cabs](#). Ride sharing services Uber and Lyft are available in the city too.

- *Taxi fares are standard, metered and non-negotiable*
- *The driver should start the meter at the beginning of your ride and stop it when you reach your destination*
- *If your service was acceptable, a 10 to 15% tip is customary*
