FLASH MODALITIES: Effects of Ultra-High Dose Rate High Energy X-Rays Radiotherapy With Different Fraction and Dose Rate on Acute and Chronic Lung Injury in Mice

Some things are too important not to share, which is why we are giving free access to selected sessions from the FRPT 2022 Conference to everyone interested in FLASH and Particle Therapy.

We hope you enjoy this lecture from Xiaobo Du and we look forward to seeing you at the FRPT 2023 Conference in Toronto!
